MAKE YOUR DREAM PLAYGROUND

Playgrounds are just one of the areas where we can play, exercise and make new friends. What does your dream playground look like? Let's create one!

1. Create the outline of your playground. Is it square, shaped like an animal or something else? What color is the surfacing of your playground?
2. What kind of playground equipment is there? Do you have slides, swings, monkey bars? What about a splash pad or pool? Are there places for all of your friends, family and pets to play?
3. Now, add in your friends and community members. What are their favorite things to do on your playground?
4. Name your playground_____
