2/17 - 3/10 - \$65

Continuing Education Credits

.4 credits

Visitors Training & Overview

Trainer: Laura T. Wetherald, CPRP, Bureau Chief of Recreation,
Howard County Recreation & Parks

Learn about the new CAPRA Standards and Procedures by attending this training workshop. The CAPRA Training has been updated to cover the new accreditation standards and procedures and is recommended for all agencies going through the initial or continuing accreditation process. It is also good for agencies considering the process. Attendees will also qualify to apply to become CAPRA Visitors and the training serves as a refresher (required every 5 years) for current visitors. The training reviews all 151 accreditation standards and identifies recent changes to the accreditation program including fundamental standards, eliminated standards, changes in how visits and hearings are conducted, and provides opportunity for audience questions to be answered.

Lunch is included.

Note: If you require special accommodations or have special dietary needs, please contact Lashae Mitchell at 410-313-4645 at least 14 days in advance so special accommodations can be made.
