POST YOUR JOB OPENINGS ON THE NRPA CAREER CENTER!

When park and recreation professionals want to land their next job or break into the field they turn to the NRPA Career Center. With **more than 16 million page views** since its inception, the NRPA Career Center is the online resource for reaching qualified park and recreation professionals you won't find anywhere else.

Employers can post job descriptions, search resumes, set up resume alerts and manage applications. The NRPA Career Center also offers resources that can help you such as sample job descriptions, background screening information and our new Executive Recruitment Concierge service.

HERE'S WHY YOU'LL WANT TO MAKE SURE YOUR JOB POSTINGS ARE ON THE NRPA CAREER CENTER:

- ✓ Each job posting is viewed by an average of almost 1,000 top job seekers.
- ✓ Employers receive at least 10 job applications for each job posting on average.
- ✓ There are an average of 800 new job seekers signing up for the Career Center each month.
- ✓ The Career Center provides access to nearly 7,000 searchable resumes of highly qualified recreation and park professionals.
- ✓ NRPA members receive a discount on job postings.
