The National Recreation and Park Association offers Certified Park & Recreation Professionals and Certified Park and Recreation Executives an opportunity to earn *Professional Service Experience (PSE) Credit.* Together with the traditional CEU or academic credit, PSE credits enable individuals to renew professional certification by utilizing their professional activities.

Points fall into two different categories: Service and Literary/Training Material Contribution. In order to receive the appropriate credit, supporting documentation must be furnished with the PSE application. The PSE Information Sheet outlines points awarded for service, maximum points available within the certification period, and supporting documentation required.

In order to obtain PSE credit, please complete the Professional Service Experience Form and submit it to NRPA with your renewal application:

- **CPRPs** – may use up to 10 PSE Points (1.0 CEU equivalency credits) as a partial offset to the 2.0 CEUs required to maintain your certification.
- **CPREs** – may use up to 15 PSE Points (1.5 CEU equivalency credits) as a partial offset to the 3.0 CEUs required to maintain your certification.

The remainder must be CEUs or CEU equivalents earned through attendance at CEU granting courses or workshops, or through academic courses or other qualifying continuing education experiences relating to parks and recreation.

*(Example: 1.0 PSE + 1.0 CEU = 2.0 minimum requirement for CPRPs)*

*If you have any questions about this program please email: certification@nrpa.org*
