Before use, parents and caregivers should also confirm that:

- Playground equipment is safety standard compliant.
- The use of playgrounds is allowable and in accordance with the most up-to-date CDC, state and local public health guidance. For additional information, please visit the CDC website at cdc.gov/coronavirus/2019-ncov/community/parks-rec/index.html.

Monitor your health and stay home if you don’t feel well or are experiencing symptoms.

Wash your hands often with soap and water (and if not available, use a hand sanitizer that contains at least 60% alcohol).

Do not share personal items or equipment with people outside your household.

Consider wearing a face covering when using playgrounds.

Put distance between yourself and other people outside of your home.

Avoid touching your eyes, nose, and mouth, and cover your mouth and nose when you cough or sneeze.

Put distance between yourself and other people outside of your home.

Monitor your health and stay home if you don’t feel well or are experiencing symptoms.

CDC guidelines as of June 12, 2020 and is brought to you from the International Play Equipment Manufacturers Association (IPEMA) and the National Park and Recreation Association (NRPA). PLAY ON!
