Guidance for Playground Users
(Parents, Caregivers and Children)

Do not share personal items or equipment, including food and water bottles, with people outside your household.

Before use, parents and caregivers should also confirm that:

• Playground equipment is safety standard compliant.
• The use of playgrounds is allowable and in accordance with the most up-to-date CDC, state and local public health guidance. For additional information, please visit the CDC website at cdc.gov/coronavirus/2019-ncov/community/parks-rec/index.html.
