

BUILDING TOGETHER IN 2025

NRPA's membership has grown to more than **68,000 park and recreation professionals, advocates and students** and nearly **4,000 agencies** across the globe.

With the support of our partners, **NRPA invested \$2.7 million into 266 local communities**, reaching more than **3.2 million people** through our grants.

As part of the **Million Coaches Challenge**, NRPA trained more than **14,000 coaches**, providing more than **140,000 youth** with high-quality sport experiences.

The **2025 NRPA Annual Conference** in Orlando was our largest to date, with more than **8,800 attendees and exhibitors**.

More than **4,300 professionals** achieved certification through **NRPA credentialing programs**.

100% of agencies that participated in **NRPA's Sustainability in Practice** initiative continue to implement environmental sustainability interventions on more than **50,000 acres of public park land**.

Thanks to our advocacy, the **Land Water and Conservation Fund** has protected **8 million acres** across all 50 states.
